LEGAL ACTION OF WISCONSIN RACINE OFFICE MOVED LOCATIONS

RACINE, Wis. (November 18, 2021) --- Legal Action of Wisconsin moved its Racine service area office to 245 Main Street, Suite 202, Racine, Wisconsin 53403. The organization had outgrown its former office at 4900 Spring Street. After an extensive review of the market, Legal Action decided on the Main Street location.

“We are looking forward to serving our clients and community from a more centrally located office,” said Deedee Peterson, Legal Action of Wisconsin Executive Director. “The new space is closer to the court house and other resources and community agencies our clients often visit,” Robert Held, the Managing Attorney of Legal Action’s Racine office, continued. “It’s close to public transportation and the larger space will better accommodate collaboration and our growing staff.”

Legal Action provides civil legal aid to low income people with a focus on maintaining safe and affordable housing; removing barriers to employment; resolving consumer finance issues; accessing and maintaining public benefits; addressing children and family law matters; securing victim support and protection; and providing services to special populations like veterans, seniors, farmworkers, domestic violence survivors, and those recently released from prison. With programs serving the southern 39 counties of Wisconsin and some statewide, the Racine office primarily focuses on serving Racine, Kenosha, and Walworth counties. Legal Action is continuing to provide most of its services remotely but looks forward to welcoming the community to this new space in the New Year.
