

# Legal Action of Wisconsin helps clients secure and maintain the government benefits necessary to meet their most basic needs including food, shelter, health, and income.

Benefits involve many programs under both federal and state law. Each program has its own set of rules and objectives. Clients have the right to appeal any decision an agency makes about their benefits.

We help clients whose public benefits are wrongfully denied, reduced, or terminated; who were overpaid; or whose benefits are otherwise at risk.

### We often assist clients with issues related to:

- **Child Care, Day Care, Foster Care, and Kinship Care Assistance**
- **Food Stamps**
- **Social Security**
- **Wisconsin Works (W-2)**
- **Unemployment Compensation**
- **BadgerCare and Medical Assistance (Medicaid) and Medicare**
- **Marketplace Insurance and Premium Payment Assistance**
- **Energy Assistance**
- **Disability Benefits**
- **Other Government Benefit Programs**

### About Us

As the state's largest non-profit law firm providing free civil legal services, we are a driving force making meaningful change in thousands of lives by ensuring the civil legal system works for everyone.

### Additional Services

Rarely do our clients face just a single problem. We also help clients maintain safe and affordable housing, remove barriers to employment, resolve consumer finance issues, address children and family law matters, and secure victim support and protection. Additionally, we provide legal services for specialized populations including veterans, seniors, farmworkers, and those near release or recently released from prison.
